

2011 Gr Amer AR Winners List (2)

Arkansas had a total of 104 participants at 2011 Grand American. This is by far the largest number of Arkansans to have ever participated. Arkansas shooters represented themselves very well and shot some fantastic scores! A total of 63 Grand American trophies found their way back to Arkansas... not counting AIM. I think it's a safe assumption to say a great time was had by all!

Records show the 2011 Grand American had 30,599 total event entries, by 1,440 over last year.

Below are winners lists for Arkansas shooters. You will see ATA Event Winners, followed by AIM Winners, plus some other items of interest relative to Arkansans.
